PROFILE

I am seeking
a position as a **ux/ui designer** where I can apply, develop and nurture my skills, while creating functional and visually appealing user experiences on the web.

In my free time I enjoy getting out into nature, spending time with my family and our dog and getting up early to watch the sun rise. (I know, but it's true!)

I am *always* learning something new.

SKILLS

I have experience
working with teams and developing ideas. I enjoy creating **wireframes** at different levels of fidelity as well as **prototyping** concepts. I have experience in **web development** and have an understanding of how to work with a team of developers on a project. I have extensive experience as a **customer service manager** and I believe that this translates well into the world of **user experience** because the customer is at the heart of what we do.

I am familiar with
- Sketch / Adobe Xd / Figma
- Photoshop / Illustrator / InDesign
- InVision / InVision Studio / Balsamiq
- HTML & CSS
- Javascript / Angular
- Git / GitHub
- Brackets / VS Code
- SQL / MySQL
- PHP / Composer / Laravel

I speak & understand
- American English as a mother tongue
- German at a limited level (B1)
- French at a basic level (A2)

WORK EXPERIENCE

Graphic & Visual Designer   24/08/2017 - present
Freelance | Luxembourg
Part-time work, by word of mouth. I create visual designs in print & web while employing effective use of typography and color to create designs that are functional as well as visually appealing.

Retail Store Manager   05/01/2005 - 25/05/2016
Tully's Coffee Shops | Seattle, WA USA
I was the manager of a high-volume cafe that grossed annually close to 1 million USD/year. I was tasked with creating and staying within quarterly budgets/goals, managing effective inventory, ordering & creating relationships with vendors, marketing the business within & outside of the cafe. I was also in charge of motivating, coaching and inspiring a team of up to 12 employees depending on the time of year. I also created hand-crafted beverages & food while always having the needs & concerns of the customer in mind.
